

Le Tour

Which tour? It is neither Danmark Rundt nor the Tour de France that I have in mind.

It's the big trip. The tour of life. The journey from birth to death. That's the trip I'm thinking of.

On that trip you can stumble. And one may need help and assistance ... support.

The tour, - all inclusive.

It probably sounds a bit pompous, but I would like to draw a picture of a wide road, - it goes up and down.

A road we are all heading out of. Some of us together and others alone. Some with a crutch and some without.

And if you hear a song, a beautiful song, it is far from being predictable where it comes from.
